

Mine Water Solutions 2018

June 12–15, 2018, Vancouver

3rd Annual Mine Water Solutions Conference

University of British Columbia Campus

VANCOUVER, BC

SPONSORSHIP AND EXHIBITION BROCHURE

2018minewatersolutions.com

THE CONFERENCE

Mine Water Solutions 2018 is the third in an innovative conference series that aims to examine a wide range of issues associated with mine water management. The conference will provide a forum for presentation and discussion about successful practices that enable responsible mining in challenging environments. The conference will include exhibits, short courses and plenaries related to the following themes:

1. **Water as a Valued Asset**
2. **Regulatory and Social Challenges**
3. **Operational Water Management**
4. **Water Treatment**
5. **Water Management in Extreme Climates**
6. **Characterization, Modelling and Prediction**

THE ORGANIZERS

This conference is being organized and hosted by the University of British Columbia, with the assistance of 3 committees: the Conference Committee, the Organizing Committee and the Technical Committee, and with leading support from the Patron Sponsor, Stantec.

THE AUDIENCE

The first Mine Water Solutions conference took place in April 2013 in Lima, Peru, and was well attended by over 350 delegates from 25 countries. The 2015 conference held in Vancouver attracted a similar number of delegates. We expect the same success next year in Vancouver and look forward to welcoming everyone with an interest in water management issues. Suggested attendees include engineers, corporate mining personnel who oversee long-term policy and planning, consultants, geoscientists, regulatory personnel, researchers and mine and mill managers involved with mine water supply, water recuperation, contaminated water migration control, tailings and tailings water management, hydro-geochemistry, and water treatment. The conference committee encourages a diversity of disciplines across all levels of the conference including authors, speakers, and conference participants. This will be an exciting opportunity to share ideas, learn about innovative approaches, make contacts, and discuss approaches to issues of mutual interest.

BECOME A SPONSOR – HELP LEAD THE CONVERSATION

This conference creates unprecedented opportunities to share knowledge, perspectives and leading-edge research. As a sponsor and/or exhibitor, you will have an opportunity to:

- Create awareness of your brand among an international audience with a real interest in your product or service;
- Build and enhance relationships with key industry decision makers; and
- Learn about the latest technology and industry trends.

CONTACT INFORMATION

To obtain further information or to discuss sponsorship opportunities that best suit your needs, please contact us at info@2018minewatersolutions.com.

TERMS AND CONDITIONS

- First right of refusal will be offered to previous sponsors and exhibitors, with responses due by Dec. 8th, and payment due by Jan. 15th.
- After Dec 8th, opportunities will be available on a first-come, first-served basis.
- Reservations can only be held for 5 business days. A signed contract or payment will be required after this time to maintain your reserved sponsorship category or exhibitor location.
- Payment is due within 30 days of the invoice date. Payment for invoices generated after March 12, 2018 is due immediately.
- Payment is accepted via credit card or wire transfer. Credit card payments are subject to a 2.85% service fee.
- All purchases are non-refundable. Should a sponsor or exhibitor be unable to participate, he/she will lose all entitlement to reimbursement of the amounts paid, no matter the impediment to his/her participation.
